Círculo Gran Vía Autograph Collection

Exactly like

Nothing else

Círculo Gran Vía is a 4* hotel belonging to the exclusive signature Autograph Collection Hotels. Located in the heart of Madrid, this palace was the former home of the Trade and Industry Circle of the capital, hence its name.

It opened in 1924 and was partially renovated in 2017 to become a landmark hotel because of its excellent design. We have been involved in the completion of its 71 rooms using exclusive furniture and pieces from our collection such as the Blom armchair. The project was a challenge, having to bring to life and execute each of the ideas generated by the design team of the property owners.

Timeless Interiors

The realization of the exclusive furniture for the rooms, was a challenge in the creation and completion of each and every one of the ideas generated by the team of interior designers. Ideas that contributed to the hotel's air of Nordic elegance, by its use of materials such as wood, wonderfully integrated into this palace of the early twentieth century and redesigned with exquisite care.

If you want to know more about the development and manufacturing process, see the section "**How do we develop our projects?**" Page 69.

La realización del mobiliario exclusivo para las habitaciones, supuso un reto a la hora de materializar y ejecutar cada una de las ideas generadas por el equipo de interioristas. Ideas que aportan al hotel un aire de elegancia nórdica por su tratamiento de materiales como la madera, excelentemente integrados en este palacio de comienzos del siglo XX rediseñado con exquisito cuidado.

Por último, se ofrece una atención postventa y un servicio de mantenimiento que garantiza la tranquilidad del cliente.

CUSTOMISED INTERIORS

Spacious suites, customized, in beige and golden tones in an elegant, timeless style which conveys peace and serenity to the guest, using materials and textures that adapt to the environment, with exclusive designs to meet the client's individual taste.

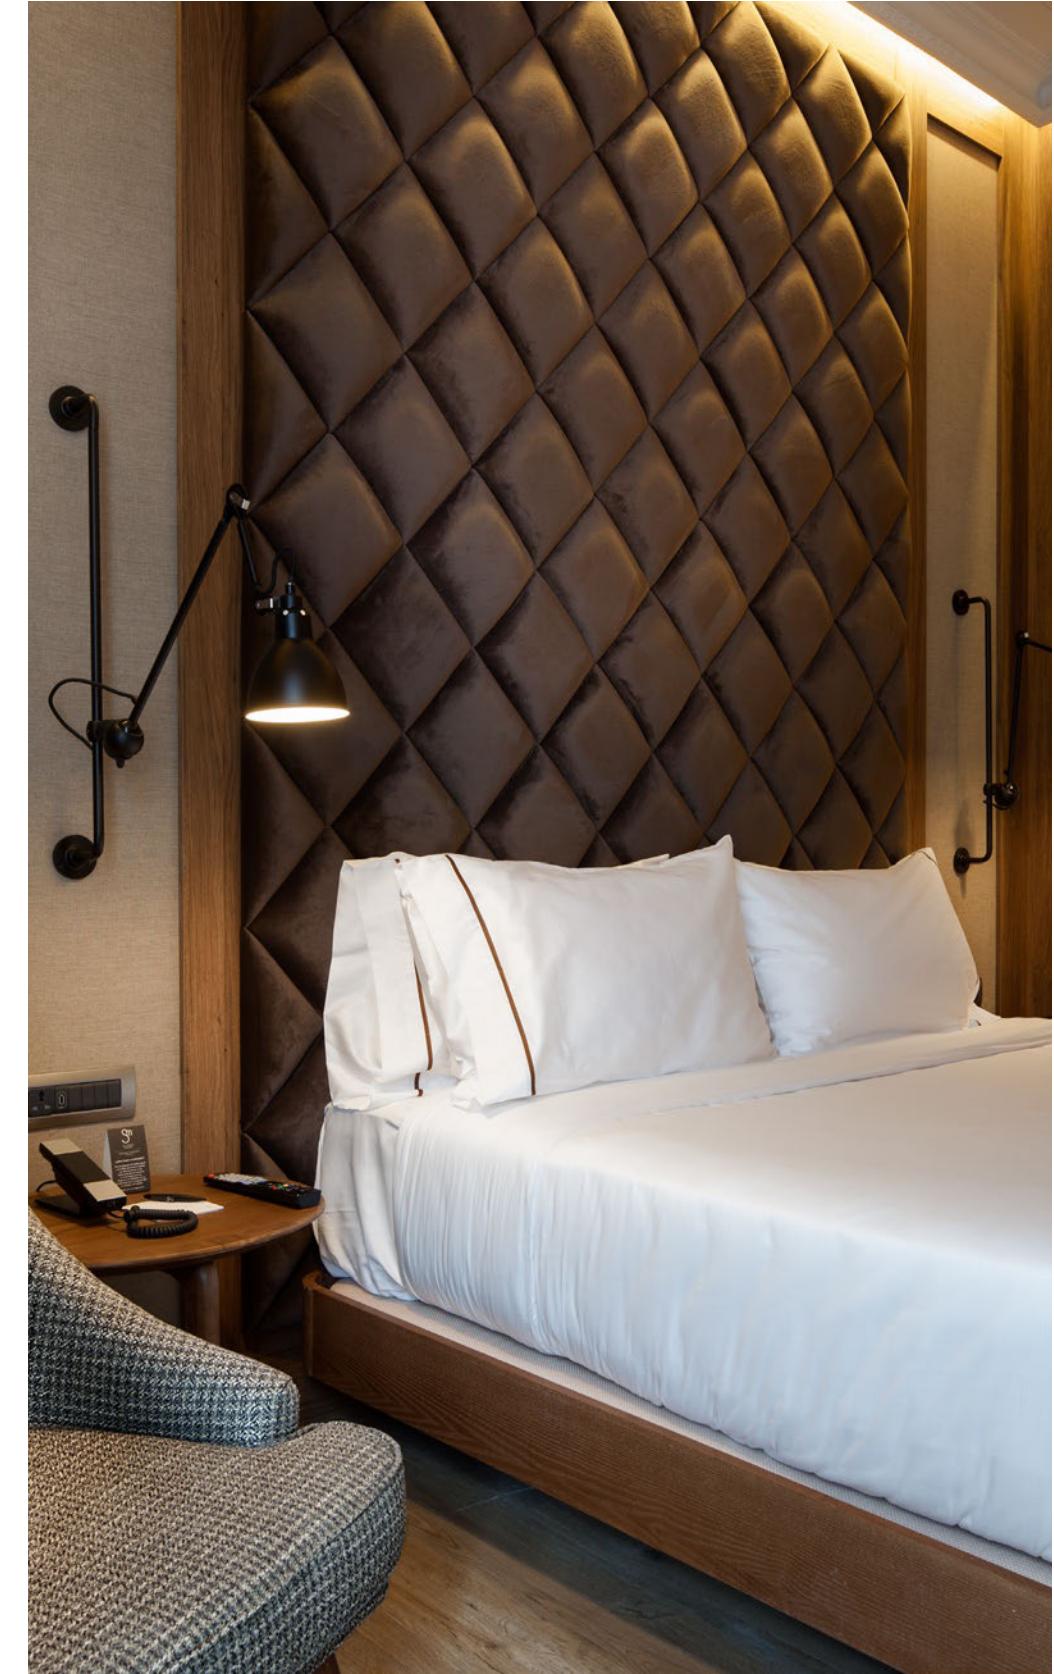

Amplias suites, con un equipamiento personalizado, en tonos tostados. Todo, en un estilo elegante, atemporal para transmitir paz y serenidad al huésped. El empleo de materiales y texturas que customizan el entorno, diseños exclusivos al gusto del cliente.

QUALITY PAR EXCELLENCE

Quality, luxury and comfort define the very essence of this environment that has been created by applying the perfect combination of the classic with contemporary constructive solutions with astonishing results.

Despite the complexity of the project, due to the exclusivity and volume of the pieces, the marked specifications of the interior design project were fulfilled to the limit, offering solutions that respected the design analysis, minimizing costs, and all attuned to customer needs.

FULL EQUIPMENT

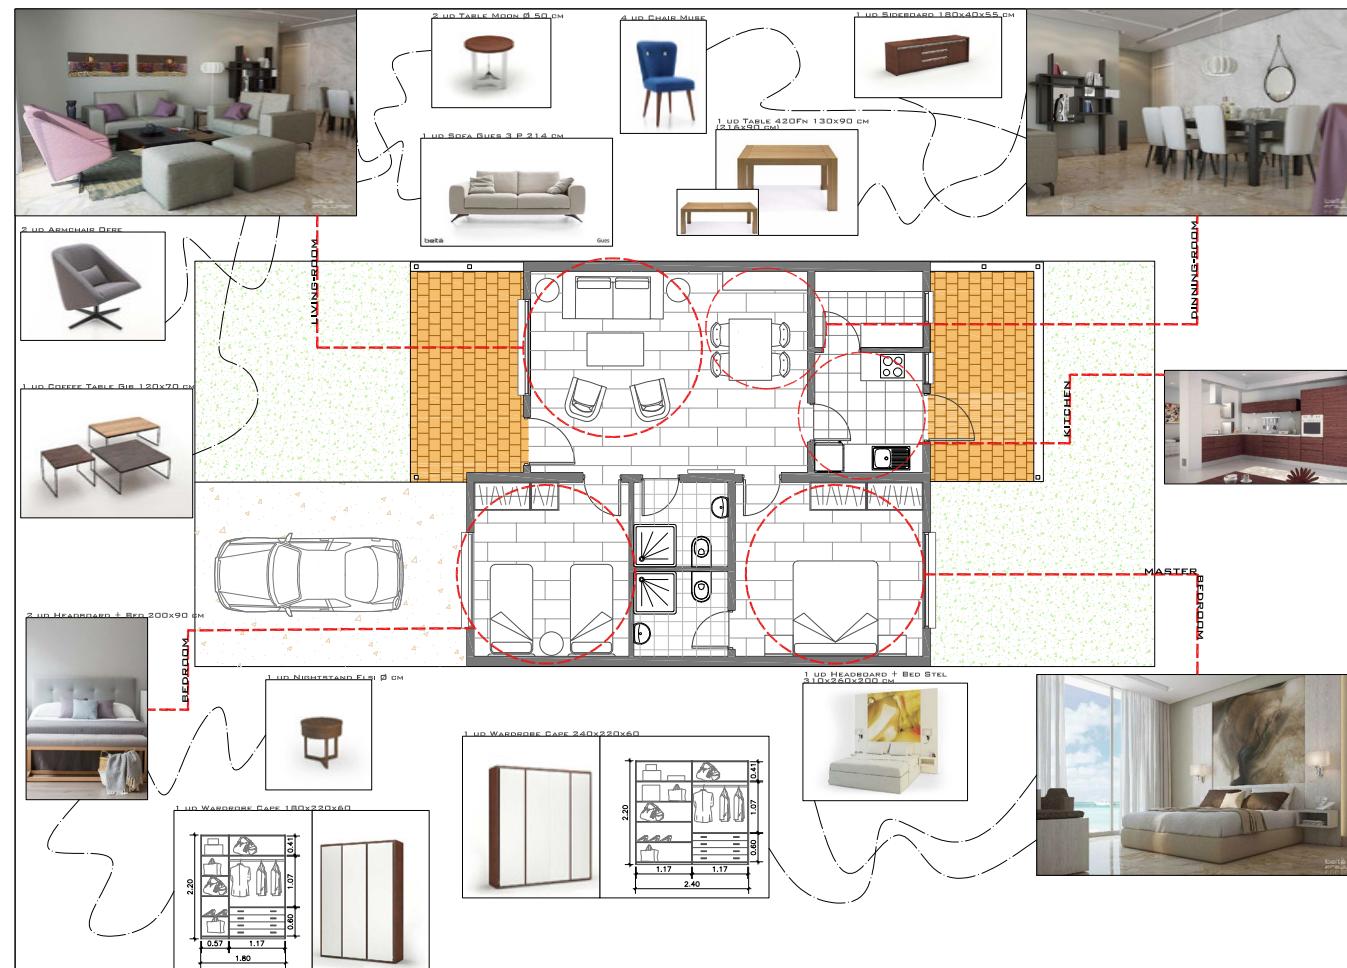

The ability to offer complete furnishing to our client, providing control of everything through a single entity, with better coordination and reduced execution times. All this facilitates a better result in obtaining a harmonious cared for interior design, transforming into a real focused theme.

La capacidad de poder ofrecer el equipamiento completo a nuestro cliente, permite controlar todo a través de un único interlocutor, reduciendo tiempos de ejecución y coordinación. Todo eso facilita un mejor resultado para la obtención de un interiorismo cuidado, en armonía, convirtiéndose en el verdadero protagonista.

Calidad, lujo y confort definen la esencia misma de este ambiente que ha sido creado aplicando la combinación perfecta de los clásicos con soluciones constructivas actuales que permiten resultados sorprendentes.

A pesar de la complejidad del proyecto por la exclusividad y el volumen de las piezas, se han cumplido al máximo las especificaciones marcadas del proyecto de interiorismo, ofreciendo soluciones que respetan la morfología, minimizando los costes, en sintonía con las necesidades del cliente.

2D PRODUCTS

We have 2D and 3D models of all our Beltá and Frajumar collections, in the **Reserved Area section of the website**.

2D and 3D libraries of our products, sofas, sofa beds, couches, armchairs, tables, pouffs and accessories, in the most common file formats, .max, .obj, .dxf, .skp, which include materials, optimized for each piece of furniture.

Disponemos de los modelos 2D y 3D de nuestras colecciones Beltá y Frajumar, en la sección **Área Reservada de la página web**.

Librerías 2D y 3D de nuestros productos, sofás, sofás cama, divanes, butacas, mesas, pouffs y complementos, en los formatos de archivos más utilizados, .max, .obj, .dxf, .skp. Incluye materiales, optimizados para cada mueble.

3D PRODUCTS

A tool which is increasingly used by architects and designers needing these files to develop their interior design projects.

The possibility of showing the client the solutions in a render so the client can really see the final finishing in its environment assures that the final result is achieving the requirements and allows us to detect and anticipate possible problems.

You can access this documentation totally free of charge after a simple registration process on the website, beltafrajumar.com

Una herramienta cada vez más utilizada por aquellos arquitectos y diseñadores que precisan de estos archivos para desarrollar sus proyectos de interiorismo.

La posibilidad de presentar las soluciones renderizadas de modo que el cliente pueda observar realmente el acabado final de todos los elementos en su entorno natural asegura que el producto final se ajuste a los requerimientos y podemos detectar con antelación posibles problemas.

Puede acceder directamente a esta documentación completamente gratis tras un sencillo registro en la web, beltafrajumar.com.
